LOVE

FOR YOU

My Dearest Raththaran,

From the moment we met at university two years ago, my world has been forever changed. I still remember the first time I saw you—your beautiful brown eyes, sparkling with warmth and kindness. There was something in your smile, so genuine and captivating, that made me feel like I had found someone truly special. Every time you smile, it feels like the whole world lights up, and in that moment, all my worries fade away.

As the days and months have passed, I've come to know you in ways that words can hardly describe. You are not just beautiful on the outside, but your heart, your soul—everything about you shines with goodness and love. The way you care for me, how you make me feel valued and cherished—it's like I'm living a dream I never want to wake up from.

I want you to know just how deeply I love you. You are my greatest treasure, my most valuable thing in this world. When I look into your eyes, I see my future, and in your arms, I find my peace. Every moment spent with you feels like a blessing, and I'm so grateful to have you by my side. You bring light into my life in ways that I could never have imagined before we met. Your love fills every corner of my heart, and there's no one I would rather share my life with than you.

Raththaran, you are my everything. My world revolves around you, and I'm constantly in awe of how wonderful you are. The way you love me, the way you care for me—it means more to me than anything. I promise to cherish you, support you, and love you for as long as I live. There is no one else who could ever take your place in my heart.

I love you more than words can express, and I always will.

Yours forever, Thilusha
